

VACPAN

AUTOMATIC DUSTPAN

"The best accessory for super-fast cleaning of all hard surface floors."

VacPan is MD's fully-integrated automatic dustpan for all central vacuum systems. Broom cleaning is just a breeze – simply engage the toe-kick for suction, sweep away - you're done! No more dustpans, no bending over - no more mess!

MD's VacPan flush-mounts cleanly and easily under cabinets or in walls using standard central vacuum fittings. To match your home, VacPan is available in white, ivory, almond, and black. An optional stainless steel faceplate is available to compliment decor themes.

MD's VacPan is the perfect hard surface floor accessory for any central vacuum!
